

ULTRA BASE FLOOR™

Shed Solution

Ultra Base Floor® **SHED SOLUTION**

No floor in your new or existing shed or shelter? No problem. Ultra-Base Shelter Solution Allows any DIYer or contractor to quickly assemble a solid load bearing floor in less than an hour. Pick a location, level and compact the sub-grade to your satisfaction and lock the Ultra Base panels together. Its that easy! No mixing concrete or heavy wood construction. Your shelter is now ready to store your lawn mower, motorcycle and tools giving you the peace of mind that your valuables are high and dry.

- **Easy installation with minimal ground prep**
- **Anti-slip surface**
- **Supports vehicular loads**
- **Drains rapidly**
- **ADA compliant**
- **Easy to relocate**
